Island Green History

Four golfing buddies started the business in 1999 when they purchased 33 acres from the Haines Family. The driving range opened in July 2002. Our award-winning mini golf course opened 3 years later in 2005 and is currently ranked No. 3 in the Mid-Atlantic.

In 2015 three of the four original owners opted out of the business, The remaining and current owner and one of the original owners The Eikenberg Family had a vision to make the facility more inclusive for non-golfers. Live music was introduced in 2016 for several charity events and became a permanent amenity. Our wine & beer bar came along in 2018 and our full bar & restaurant with our award-winning crab cakes opened in 2021

We continued with additional amenities in 2022 with our private party suites, and in 2023 upgraded our concert music area. Moving forward our goal is to develop and provide the most creative and innovative family entertainment experience for all our guests!

Thank you for your support,
The Eikenberg Family
